

Stay connected on our Website and Mobile Application!

It is with great pleasure that we welcome you to the Field Club Family! Our custom mobile app and website are designed to keep you connected and informed, while offering many time-saving conveniences to enhance your private club experience.

Find our website online at www.fcomaha.com and Search "Field Club of Omaha" in the App or Google Play Stores to download the new App.

The website and mobile application use the same login. To log in for the first time, you will need to use the following username and password:

Username: Member Number-00

Password: your last name and
123, all lower case, no space

Note:

All member numbers must be 4 digits so if your number is 101,
please enter 0101-00

Example: Member Jane Doe #101 would use 0101-00 as a username and
doe123 as her password.

We hope you'll agree that making dinner reservations, tee times, viewing statements, making payments and keeping up to date with Club events (among many other features) is much easier with the intuitive navigation of both platforms.

For any questions or assistance, please contact Amber Quigley at aquigley@fcomaha.com.
