Firecracker Tournament 18 holes, 3 separate formats, 2 man teams. 1 Net Best Ball, Scramble, Alternate Shot. Tee Times Start at 7AM.

Par 3 Tournament . On this day we turn all our holes into par 3's. Most play shortened from the fairway, some from various, often difficult to judge yardages. Look out for tough pin placements. Tee times begin at 7:30AM.

Medal Play. Individual stroke play, 18 holes both days. Players are flighted by handicaps with no more than 3-5 home course handicap strokes between high and low with the exception of the 20+ handicap bracket. Tee Times begin both days at 7:30.

Labor Day Member-Member. Friday night appetizers and Calcutta auction (teams must be purchased by Saturday tee time.) Saturday and Sunday Shotgun start at 9 AM. Format is 1 net best ball on Saturday and Total net on Sunday.

Men's Creighton Stag. 4 Man teams, we will try to put a member of the Creighton athletic staff with each group. 1:30 PM shotgun start followed by dinner. Look for a special speaker at the end of dinner.

Player of the Year Championship. The top 20 in the player of the year points will be invited to play in this year end event. 1 round individual net stroke play, points for this event are the same as all other POY events. The points earned in this event will be added to the previous total to determine our player of the year.

Goodman Cup: The Goodman Cup takes the top 30 players from the year in POY Points and splits them into 2 teams. The format for the event is 54 holes of match play. Saturday teams will compete in 18 holes of best ball, followed by 18 holes of alternate shot. On Sunday teams will compete in 18 holes of individual match play. The team with the most cumulative points wins. All participants will receive team uniforms, tournament gifts, dinner Friday night, breakfast both days, and lunch on Saturday for \$50.

Tombstone: Our spookiest event of the year at Field Club, the tombstone event is our twist on the plant your flag event. Each player will have their handicap added to the course par (67 for men and 68 for women) to create their total strokes for the event. For example, if I am a 5 handicap, my total strokes are 72 (67 + 5). Once I hit my 72nd shot of the day, wherever that may be, I will plant my tombstone at its resting point and I am now "dead." The winner of the event is the player who can survive the most holes before they eventually run out of strokes. If you have played all 18 holes and still have strokes left, you simply go back to #1 tee box and keep playing. For our more artistic and creative golfers in the event, we will have an award for the top 2 most creative tombstones on the course each year. Golf, cart, food, and prizes are included in your entry fee.
